Classes/Camps/Events

Safe Practice Declaration

- Limiting the amount of students each day to accommodate social distancing guidelines. The campers will be spread out at tables with plexigass partitions (“sneeze gaurds”) to section them off while still allowing interaction.
- Same staff will be with your students the whole month. Unless an emergency arises, same staff members will be assisting the entire month and will be adhering to social distancing protocol.
- All staff will be wearing masks at all times and will be constantly sanitizing commonly touched surfaces. Students are also required to wear masks.
- “Mask breaks” will be given to students one at a time throughout session outside with supervision from staff member when requested.
- Clay n’ Latte will be strictly adhering to the San Diego County Health Order relating to Summer Camps and Child Care.
- A daily health screening and temperature check (via temporal thermometer) will be required of Staff members and students each morning.
- Students will use the same set of tools each day and will be sanitized each night (no sharing supplies!)
- We will be communicating with parents of any questionable symptoms their child may exhibit and our staff will be practicing strict social distancing outside of work.
- Bathroom cleaning after each use.
